

REMARKS

The Notice states that the response filed on September 28, 2006 is non-compliant because the listing of claims did not provide each claim with the proper status identifier, and Applicants submitted more than one listing of the claims. The Examiner also suggested to correct the phrase "rotating 2 mounting" in claim 6, line 2, in the response filed on September 28, 2006.

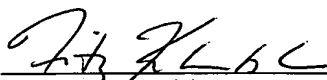

Applicants have complied with the Notice by submitting only one listing of claims for both elected and withdrawn claims, and by identifying each claim with the proper status identifier. Withdrawn claim 6 has been corrected to reflect the original text of the claim, as filed, by changing the phrase on line 2 "rotating 2 mounting" to -- rotating mounting --, and on line 3 the phrase "right portion, 4" to -- right portion--. Deleted numeral characters "2" and "4" were inadvertently added to the text of claim 6 in Applicants' response filed on September 28, 2006. No new matter has been added by these amendments.

Applicants respectfully request entry of the above amendments and remarks into the file of the present application. No fee is believed to be due for this response. Should any fee be required, however, the Commissioner is hereby authorized to charge such fee to Jones Day Deposit Account No. 50-3013.

Respectfully submitted,
